4. Rule I of the Poteji Rules requires that the official land should be valued at the Survey assessment minus the Jodi tax or cesses. Before the Pakka Poteji Settlement, the Jodi and the cesses used to be

One Kandagiriappa, Shambhoy's of Varalkunda village in the Goribidnur Taluk, holding for Shambhoy Service, certain Inam lands in Peresandra and other villages of Chikkabalkapur Taluk bearing an annual assessment of Rs. 51-4-0, complained (1) that the Taluk authorities misconstruing the Potagi Rules recovered from him the full

full survey valuation of  
Said Service Inam lands without  
allowing the Jodi amount of Rs  
4-6-0 (half of the difference  
between the full survey valua-  
tion of the Service Inam lands,  
and the amount of fixed Potāgi  
which is <sup>Rs</sup> 42-8-0), as per para  
XXIII of the Potāgi Rules which  
runs as follows: -

"If the emoluments derived  
from land alone are more  
than sufficient to provide the  
salary of the officiator, the  
surplus shall be taxed by the  
imposition of additional Jodi  
equal to one half the profits  
on the above land, the profits  
being the difference between  
the Jodi payable thereon and  
the full Survey assessment  
or valuation; (2) that Irrigation  
cess had also been recovered  
from him on his Service  
Inam lands though he was  
paying

paying full survey assessment thereof in which the Irrigation cess is merged; and requested the refund of the sums thus recovered from him in excess of the actual demand.

DL No:  $\frac{3134}{764}$  & 15<sup>th</sup> April 93

2. The Deputy Commissioner in reporting the above circumstances of the case submitted for sanction a refund-bill for Rs 28-10-10 in favour of the Said Vand-giriappa.

No:  $\frac{19284}{2314}$  & 16<sup>th</sup> May 1893

3. This was referred to the Survey Superintendent for opinion.

No: 1144 & 31<sup>st</sup> May 1893

4. The Superintendent Revenue Survey States that he ~~has~~ does not quite follow the Deputy Commissioner in his mode of calculation, and says that the amount of refund can be easily calculated from the following figures being the legitimate  
levy

5 Col Grant explains that the land assessed at Rs 6 having been resigned in 1890-91 the Jodi tax payable <sup>(Rule xxvii)</sup> had to be reduced by the full Survey assessment of the relinquished field; that the Deputy Commissioner in his letter no:  $\frac{3134}{744}$  of 15 April 93 puts down Irrigation cess for refund, but although under the peculiar circumstances connected with Patil and Shanbog Official Land (Rule xxviii) combined with the fact of the cess in question having in the villages concerned being merged in the Survey assessment, such a course may

This can is quite clear & for  
its purpose it is unnecessary  
to raise questions which  
are not quite relevant to  
this reference - One point  
question is the confusion  
which was introduced

means, as he are intended  
 to do (Vide N<sup>o</sup> 950-60) - The  
 of 16<sup>th</sup> Sep-1885 - The  
 change of policy having been  
 thus abandoned the effect  
 of the disturbing order which  
 was issued in this interval  
 of transition may be deemed  
 to have disappeared - We are  
 thus left with the bare rules  
 to guide us in the settlement  
 of this question. In accordance  
 with the rules the view of the  
 Survey Supt is correct and  
 the Defund bill will be calculated  
 & sanctioned accordingly -  
 The calculation will be as follows

Half of profits for five  
 years up to 1889-90  
 $(4-6-0 \times 5) = 21-14-0$

In Villuete landafundal  
 Rs 6 was required - & the

 40-14-0      Rs 6 collection  
 to be remitted.

 Rule XVII of the Survey Guarantee  
 applies & no variation also  
 could be remitted - The  
 above disposers of this file & simple  
 order sanctioning this refund & explaining  
 the mode of calculation will do for the decision of the

General question involving  
 a modification of Rule XVII  
 arising from the Dy Commr's  
 the present practice as regards

I am in 2 (with reference

desirable. The question is

the Rules should be

I think there ought  
to be no levy of a cap

No 3786-95-101, dated Bangalore, 18<sup>th</sup> Sept 1887.

Order.— Under the authority of rule XVII of the Survey Guarantee as revised by Notification No 341, dated 11<sup>th</sup> February/85, a levy of 1-17<sup>th</sup> of the Survey valuation of all wet lands in Inam Villages is made under the designation of "Equivalent of the Irrigation Cess." This levy has been the subject of Complaint generally on the part of Inamdars who urge that it is unjust inasmuch as the lands in question derive no benefit from any Government source of Irrigation His Highness's Government are of opinion that this Complaint is well founded in the case of such Inamdars of whole villages as hold inam wet lands irrigated exclusively from Inam Tanks. The Government accordingly

accordingly sanction the abolition of this levy. But in sanctioning this measure, the Government desire to impress upon all Inamdaras who benefit by it that their responsibility for the execution of timely repairs to their tanks and for the maintenance of them always in proper condition will be strictly enforced. If they fail in this duty, the necessary work will be executed by Government and the cost recovered from the Inamdaras as a revenue demand.

2. In accordance with the above orders, the following Sections will be substituted for Sections XVII and XVIII of the Survey Guarantee.

XVII. The Irrigation Ass will similarly merge in the future Survey

Valuation

Valuation of all wet lands held in  
inam, whether in Government Villages  
or in whole inam villages and 1-17<sup>th</sup>  
of such valuation will be collected  
similarly to a jodi, but under the  
designation of "Equivalent of the  
Irrigation Cess," separately from, and  
in addition to, the quitrent leviable  
on such lands or villages and be  
carried to the account of the  
"District Irrigation Fund." But  
such wet lands in whole inam  
villages as may derive their  
irrigation exclusively from a  
tank or other source of irrigation  
situated wholly within such  
villages shall not be liable to  
pay any Irrigation Cess or the  
equivalent

equivalent thereof to the Government.

Provided that, for the purpose of fixing the amount of Irrigation Ass, the Survey Department shall ascertain and record the assessment of such wet lands in inam villages as may be irrigated by a Government irrigation work. And provided further that the Survey valuation of all inam or other wet lands shall include any separate water rate which may be imposed thereupon.

XVIII. Kayangutta Villages and Inam villages (S'arramanyam or jodi) shall pay Local Fund cess at the rate one anna in the rupee, the former at the fixed Kayangutta rent

No 3

and the latter on the recorded value of the inam.

3. Similarly Rule VI of the rules for the guidance of District Committees in the administration of the District Irrigation cess fund, published with the late Chief Commissioner's Notification No 62 dated 7<sup>th</sup> May 1875, will be amended as follows:—

VI. Holders of Inam and Kayametta villages being relieved of the obligation to pay Irrigation cess in respect of wet lands irrigated exclusively from their village tanks, their responsibility for the execution of timely repairs to such tanks and for maintaining them always in a proper condition will be strictly enforced. If they fail to maintain their tanks in a proper

proper

proper condition or to execute the necessary repairs in due time or with reasonable despatch and efficiency, it will be competent to the Government to take the work in hand and carry it out, the outlay being recovered from them as a revenue demand.

4. These amendments will be published in the Gazette for general information.

5. The orders conveyed in Proceedings No. 7416-225, dated 17<sup>th</sup> December 1881, for holding in abeyance the Irrigation cess levied from wet lands in Inam villages are hereby withdrawn. The amounts shown in the accounts as due on due on account of wet inam lands which do not derive irrigation from Government works should be written off under the rules now sanctioned, the amounts thus written off being duly reported to this office.

Early

Early measures should be adopted for the recovery of the arrears under this head in other cases.

6. The Deputy Commissioners are requested to decide in communication with the Superintendent of Revenue Survey, what income wet lands must be exempted for the levy of the Irrigation cess or its equivalent under Section XVII of the Survey Guarantee revised as above.

of Chief Secretary's No:  $\frac{956}{R. 144-92}$  of the 16<sup>th</sup>

on Chambogue Inam lands, I have the

been collected under the impression that  
Service Inam lands like other Inams fell  
under the scope of para XVII of the Survey  
Guarantee as amended by notification No:

Proceedings

Proceedings Camp No. 950-60 dated the 16<sup>th</sup>

valuation to be recovered. This order was  
modified by Proceedings of the 2<sup>nd</sup> July 1887  
in which the words "the assessment imposed  
"by the Survey Settlement as leviable on"  
were substituted for the words "the full  
survey valuation of" in the former pro-

Proceedings does not seem to have been  
understood by the Taluk officials nor  
does it seem that the orders issued from  
the District Office in pursuance there-  
of put the matter in a clearer light.  
I sent for the copy of the Order received  
in the Goribidnur Taluk at the time  
and find that it merely communicates  
Government Orders. Hence the mistake

complained of the unauthorised levy. The

Kolar District,

REVENUE DEPARTMENT

Dated 15 April 1893.

To

The Chief Secretary to the  
Dewan of Mysore.

Sir,  
I have the honor to state that one Kundigiriappa Shambhoj of Varlahonda village in the Gundabanda Sub-Taluk, holds certain Inam lands in Beresandra and 4 other villages of Chichballapur Taluk bearing an annual assessment of Rupees 51-4-0 thereon for Shambhoji service. The sanctioned Patta Potagi to the Shambhoj is Rupees 42-8-0. The difference between the full survey valuation of the service Inam lands and the amount of fixed Potagi is Rupees 8-12-0 half of which viz = Rupees 4-6-0 has to be permitted and the remaining amount of Rupees 4-6-0 to be collected from the Shambhoj.

But the Taluk authorities misconstruing the Potagi rules recovered from the Shambhoj the full survey valuation of the said service Inam lands without allowing the Sodi amount as per para ~~XX~~ III of the Potagi rules.

Besides Irrigation cess has also been recovered from the said Shambhoj on his service Inam

Excess payment of assessment  
for the last 6 years from  
Parthiva to Vikruti as  
specified below:-

Parthiva (1885-86) Rs 4-6-0  
Vyaya (1886-87) " 4-6-0  
Sarvajith (1887-88) " 4-6-0  
Sarwadhari (1888-89) " 4-6-0  
Virodhi (1889-90) 4-6-0  
Vikruti (1890-91) 1-6-0  
Total Rs 23-4-0

Irrigation cess  
paid for 5 years  
from Parthiva to  
Virodhi. } 5-6-0  
Total Rs. 28-10-0

thereof in which the cess is  
merged. Hence the Shambhogue  
Nundigiriappa claims the excess  
payment of the marginally  
noted sum to be refunded  
to him and accordingly a  
refund bill for Rupees 28-10-0  
received from the Sub-Division  
Officer Chichballapur is  
herewith submitted for sanction.

The Vernacular correspondence bearing  
on the subject is also herein enclosed for further  
reference and obliging return when no longer  
required.

Sir,

With reference to Government Proceedings  
No:  $\frac{1673}{2271-92}$  dated 27<sup>th</sup> July 1892 enquiring why the full  
survey valuation of the Shanbhogi service Inam lands  
in the Gundibanda Sub-Taluk was continued to be  
levied even after the publication of the amendment  
ordered in Proceedings No:  $\frac{1733-42}{47}$  of the 2<sup>nd</sup> July

done in this respect in the other Taluks of the District,  
I have the honor to state that through a misappre-

Potigi Taluk and the circular instructions issued  
from this office in accordance with the orders  
conveyed in Government Proceedings No:  $\frac{1733-42}{47}$   
of the 2<sup>nd</sup> July 1887, the full survey valuation appears  
to have been levied in all the Taluks in which

GOVERNMENT OF MYSORE

Survey Superintendent's Office  
Bangalore 31<sup>st</sup> May 1893

J,

The Chief Secretary to the  
Dewan of Mysore

Sir,

I have the honor to acknowledge the receipt of your Docket No.  $\frac{19234}{2314}$  dated 16<sup>th</sup> Instant regarding a proposal for the refund to Shambag Vandigiriappa of Vankonda village in the Gundibanda Sub-Taluk of half the "profits" (Rule ~~XXIII~~) on the lands held by him in Peresandra and other 4 villages of the Bhik-Ballapur Taluk, as well as the Irrigation cess levied from him.

2 I cannot quite follow  
the

the Deputy Commissioner in his  
mode of calculation but the follow-  
ing being the legitimate levy  
under the Pokgi Rules the amount  
of refund can easily be calculated.

| Year    | Jodi   | Half profits<br>under Rule <del>XXIII</del> | Irrigation<br>cess |
|---------|--------|---------------------------------------------|--------------------|
| 1885-86 | 42.8.0 | 4. 6. 0                                     | 1. 1. 5            |
| 1886-87 | 42.8.0 | 4. 6. 0                                     | 1. 1. 5            |
| 1887-88 | 42.8.0 | 4. 6. 0                                     | 1. 1. 5            |
| 1888-89 | 42.8.0 | 4. 6. 0                                     | 1. 1. 5            |
| 1889-90 | 42.8.0 | 4. 6. 0                                     | 1. 1. 5            |
| 1890-91 | 36.8.0 | 4. 6. 0                                     | 1. 1. 5            |

In 1890-91 land assessed at Rs 6  
was resigned and consequently  
(Rule ~~XXVII~~) the Jodi tax payable  
had to be reduced by the full  
Survey assessment of the relin-  
quished field.

3 The Deputy Commissioner  
in his letter N<sup>o</sup>.  $\frac{3134}{744}$  of 15<sup>th</sup> April

1893

1893 puts down Irrigation cess for  
refund but although under the  
peculiar circumstances connected  
with Patel and Shanbag Official  
land (see Rule ~~xxviii~~) combined  
with the fact of the cess in question  
having in the villages concerned  
been merged in the Survey assess-  
ment, such a course may be  
considered just and may, on con-  
sideration, obtain the approval of  
Government, it is nevertheless  
leviable, under Section ~~xxvii~~ of  
the Survey Guarantee as amend-  
ed under Government Order No.

3786-95-101 dated Bangalore 1st  
September 1887, under the designa-  
tion of "equivalent of the Irrigation  
cess". There is no Order so far  
as I can ascertain exempting

Patel

Patel and Shamboy official land  
from the operation of amended  
Section XVIII of the Survey Guarantee.

I have reason to believe that  
difference of practice in the above  
respect exists in different Taluks.  
the "Equivalent of the Irrigation  
cess" being levied on Patel and  
Shamboy Official land in some  
cases and remitted in others. I  
think that the point should be  
made clear. As Orders stand  
at present the levy of the "EQUI-  
valent of the Irrigation cess" seems  
to me to be correct. Encls. are herewith  
returned.

Sir,

With reference to your docket No:  $\frac{1901}{178}$  of the 1<sup>st</sup> December last regarding the proposed refund of "Soot" and Irrigation cess levied from the Shanbhogue Inam land of Nandigirappa, I have the honor to forward the Amildar's Ittala No: 614 dated 16-1-94.

2. There are two questions involved in the case dealing with the first of them namely: - Reduction claimed on account of "Soot" or half profits, I have to state that the Survey Assessment on the Inam lands was Rs 51-4-. The Potgi which has been settled for the villages, for which these lands had been originally assigned as Service Inam is Rs 42-8-. Under para XXIII of the Patels and Shanbhogue's Remuneration Rules, one half of the excess of the Survey Assessment over the Potgi should have been deducted in favor of the Shanbhogue. In other words Rs 42-8- + Rs 4-6-

or

or only Rs 4-6-14- should have been recovered.  
This was not done. The whole of the Survey  
Assessment Rs 51-4- was being collected for  
the years Parthwa to Virodhy. The refund  
claimed relates to these 5 years at the rate of  
Rs 4-6- per year, the excess collected. In  
Vikrity the Shambhogue resigned land  
bearing Survey Assessment Rs 6/-, reducing  
the total Survey Assessment to Rs 45-4- and  
the half profits to Rs 1-6- for that year. The  
total refund amounts to Rs 23-4-.

3. — The second question relates to the  
Irrigation Cess. On this question, I beg to  
state, with due deference to so high an  
authority as the Superintendent of Survey,  
that Para XVII of the Survey Guarantee as  
revised by the Proceedings of 1887, could not  
have meant to impose the Equivalent Irriga-  
-tion Cess on Shambhogue Inam lands in  
addition to that Cess merged in the Survey  
Assessment imposed on them. It would amount  
to levying the Cess twice over from the same  
land though under two garbs. At any rate  
the Complaint on the part of the Shambhogues  
is well founded and deserves to be redressed.  
In the Case under notice, a separate Irriga-  
-tion Cess was being levied for 5 years from  
Parthwa to Virodhy at Rs 1-1-5 making a total  
of Rs 5-7-1 of which only 5-6-10 has been actually  
collected as will be seen from the Treasury certi-  
ficate. The Vikrity under the order of the

the Deputy Commissioner No: 252 - ...  
cess ceased to be collected. No refund is thus due for 1890-91.

4. — The Survey settlement took place in the Gudibanda Taluk in 1876-77, but the Pucka Pstgi came into force in 1885-86. The marginal state-ment gives particulars of the land in question.

5. — The total amount of refund claimed is thus Rs 28-10-10 being half profits, Rs 23-4-0 and Rs 5-6-10 the excess of Irrigation Cess collected.

With reference to your docket No:

1521  
979 dated the 15<sup>th</sup> instant, and in Continuation  
of this office No: 412 of the 12<sup>th</sup> April last, I  
have the honor to state that the 2<sup>nd</sup> para  
of the Chief Secretary's docket refers to  
the question of the local cess on the excess  
amount of Rs 23-4-0 recovered from Shan-  
bhogue Vandigoinappa and proposed to  
be refunded to him. On this point, I  
have to state that local cess is levied  
on the Survey valuation of Inam &  
lands and not on the actual amount  
recovered in the shape of Jodi or other-  
wise. The Shanbhogue has therefore no

levied on his service Inam any more than holders of other Inams. It is on this ground that the local cess on the excess recovered from the Shanbhogur has not been included in the refund bill.

The Deputy Commr's  
docket No.  $\frac{1810}{416}$  of 8<sup>th</sup> Nov. 1914  
on the subject of the claim  
of Shanboque Nairi firiappa  
of the Jindibanda Sub Taluk  
to the refund of the irriga-  
tion cess levied on his man-  
lands in Piesandya and 4  
other villages of the Chik-

In returning the papers recd. with the  
~~With reference to the~~  
above, has the honor to  
request the Dy. Commr.  
to report whether during  
the period for which the  
refund of the equivalent  
of the irrigation cess is

the Patel were treated in  
the same manner as  
other ryots in this matter,  
or whether there was any  
special feature in the  
case of the village of-  
ficials exempting them  
from paying such cess.  
Govt observe that if there  
is no such special feature,  
the only profit the  
Shanleque is entitled  
to is one half of the difference  
between the assessment  
and the ~~gross~~ <sup>1918</sup> amount the  
argument that because  
the irrigation cess is amal-  
gamated with the wet  
assessment, the levy of it  
under any name would  
be levying the cess twice  
over would have no special  
force applicable only to

the village. If  
they in common with  
the ryots of the village  
were in the habit of  
paying the cess, there  
is no reason for refund-  
ing any portion of it  
to the village Shanbaque  
alone. The Dy. Commr.  
is requested to submit  
further explanation on  
the points.

of Pukka Potgi, full assessment was charged on this land which was still nominally treated in the accounts as Inam, yet the levy of the cess did not cease owing to some misunderstanding. The ordinary Kandayam ryots in this and other villages of the Taluk do not pay any separate irrigation cess the same being merged in the Akar. The extra amount thus levied since 1885/86 viz Rs 5-6-10 has therefore to be refunded.

2. Although the Shambhog was entitled to one half of the difference between the assessment and the Potgi amount, yet he paid the assessment in full during the said 5 years. This difference being Rs 8-12-4 per annum, half of this for the five years amounts to Rs 21-14-4. In 1890-91, the Shambhog resigned one of the lands and paid only

only Rs 2-12-4 in excess. He is therefore  
entitled to one half of this amount  
also (Re 1-6-4).

The said amount being therefore deducted from the total sum of the bill viz Rs. 28-10-10, the balance of Rs. 23-4- represents, according to the Deputy Commr's calculation, the excess assessment recovered from the Shanboque in question. Sir,

Reverting to Government Proceedings  
No. 8532 dated 18<sup>th</sup> Instant declining &  
P.F. 302-92  
sanction the refund of the Irrigation cess  
recovered from Shanbhaj Handigiriappa  
on the Service Inam lands held by him  
in Peresandra and 4 other villages in the  
Chickballapur Taluk, I have the honor  
& submit as follows:—

2. The so called Service Inams  
of Shanbhaj and Patels no longer continue  
as such, the same having at the Pakka  
Potaji Settlement, been subjected to the  
payment of Assessment and a cash re-  
muneration fixed for the officials. The  
retention of these lands in the accounts  
as Inams is simply nominal & prevent  
alienation of such lands.

3. The holders of these Inams are in no  
better position than the ordinary Handayana

8. Submitted for orders with  
reference to the observations

accompanying office note which  
were communicated to the Dy  
Commissioner in this office Pro:  
No 8532 & 18<sup>th</sup> March/96.

The arguments now advanced  
by the Dy Commissioner do not appear  
to be sound -

The general question of  
modifying the existing rules  
as regards the separate levy of  
Irrigation cess on Service lands  
being under the consideration  
of Govt, the Dy Commissioner may be  
informed that the orders already  
passed in the case of Chandragiri  
are final & cannot be altered by  
Dy Commissioner or the question

the Irrigation Cess  
considered when the  
general question is  
decided one way or  
the other

Landowners paying ryots. The latter are not required to pay any Irrigation cess separately on their wet and garden lands as the same is merged in the Survey assessment imposed thereon. The officials in question are entitled to a like treatment, otherwise there would be a double recovery of the cess in their case which could not have been the object of Section XVII of the Survey guarantee as revised by Government - Proceedings No.  $\frac{3786-95}{101}$  dated 1<sup>st</sup> September 1887.

(Reference

4. In the case under reference, The full Survey assessment of the Shambhoji Inam lands is Rs 51/4/0 of which Rs 18/8/0 represents the portion charged on his wet lands. This assessment (Rs 51/4/0) being more than the amount of the potazi fixed for the office, viz Rs 42/8/0, the surplus of Rs 8/12/0 has been taxed by the imposition of additional jodi equal to one half the profits on the lands, under Rule XXIII of the revised Rules for Remuneration of Patels and Shambhoji.

lands of the Shankhoy in question as fixed by the Survey department is therefore Rs 42/8/0 + Rs 4/6/0 = Rs 46/14/0 and the amount of "Soote" (half profits) allowed in his favour is only Rs 4/6/0.

6. If the above amount of Rs 4/6/0 be taken & be payable on wet lands, the Shankhoy has only to pay Irrigation cess on this amount but considering that he holds a large extent of dry land it is nothing but fair that the "Soote" land should be considered ——— & be included in such dry land and not in the wet land which has been fully assessed as in the case of other Kandayam wet lands.

7. In cases in which no "Soote" is allowed, no Irrigation cess is properly leviable as the holders pay full Survey assessment just as ordinary ryots.

8. I therefore solicit that the Government will be pleased to reconsider their orders in the matter.

9. The submission of the revised Refund bill called for in the proceedings under reference, has been deferred

pending the final decision of Government on this matter.

Sir.

Adverting to the delay in the despatch of  
Letter No.  $\frac{1761}{5-15}$  dated the 30<sup>th</sup> October 1897, referred to  
in the preface to Government Proceedings No.  $\frac{5898-99}{R. 302-92}$   
dated 29<sup>th</sup> December 1897, I have the honor to state  
that the draft of the letter under reference was  
prepared in the Revenue Department on 30<sup>th</sup> October  
1897 but was not passed by me till the 17<sup>th</sup> November  
last and the fair copy could not be despatched  
before the 26<sup>th</sup> Idem for want of Treasury certificate  
on the refund bill that had to accompany the  
letter. If the letter had been properly dated  
the 17<sup>th</sup> November the date on which the draft  
was passed, there would have been no occasion  
to observe any great delay in the despatch of the  
same and the clerks have been warned to be  
careful to avoid such remarks.

I have the honor to be
